We are heading to Milwaukee to visit the Harley-Davidson Museum, nearly 105 years in the making. The 13,000 sq. ft. museum will add a dimension to the Harley Davidson experience. Lunch will be at Mader’s German Restaurant. Then off to the Miller Brewing Company for a tour. This tour has 45 stairs and is 4 blocks long. There is also an abbreviated version for those who don’t want as much “exercise”. After the tour we’ll meet in the sampling room for a beer or soda.

We still have availability on this trip. Please call Salley ASAP if you are interested.
